Re: Handrails and Safety Fencing.

Dear Robert:

I wanted to take the time to express our satisfaction with both the outstanding service and the quality of product we have received from you. With over 7,000,000 visitors to Barefoot Landing each year, your railings have withstood a tremendous amount of abuse, and still look brand new. I am sure we will be just as satisfied with the additional railing we have ordered for our alligator park, and I really appreciate you working with us to insure delivery on such a tight time schedule. If I can ever be of service in recommending your products please do not hesitate to contact me.

Sincerely,

Robert S. Guyton
