**RE: JAZZLAND THEME PARK
BRM JOB NO. 2695**

Dear Mr. Weiss:

I would like to take this opportunity to express sincere appreciation for a job well done. As you know, Jazzland was a challenging project in regards to time. Safron kept getting backed up with us delivering design drawings so late in the game, but you and your guys lived up to the challenge.

Not only did you get the railing delivered, but when they were delivered you shut down your shop and sent your entire labor force to New Orleans to install the railings. We ended up getting over 10,000 lf installed in less than 4 weeks.

Organization like yours makes difficult tasks easy. You should be proud of your company's performance and of the team you have supporting you. I look forward to working with your company in the future.

Sincerely,

BROADMOOR
