

SÄFTRON

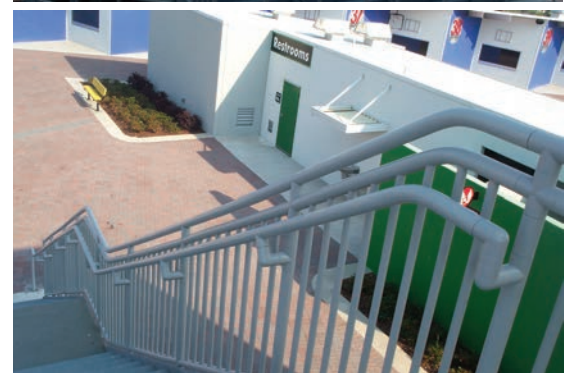

ADA Grab Rail

Vinyl Continuous 1.90" OD Handrail

Comes in 1.50 OD and 1.90 OD

Advantages of Polymer Railing:

- No Welding
- Never Needs Painting
- Easy Assembly
- Corrosion Resistance
- Does Not Get Hot in the Sun
- Green Product
- Weather Resistant
- Maintenance Free
- No Fading
- No Chalking
- High Strength
- Wide Color Choices
- High Impact Performance
- Meets all ADA Requirements
- 10 Year Warranty

Applications:

- Stairs
- Ramps
- Walkways
- ADA Grab Rails

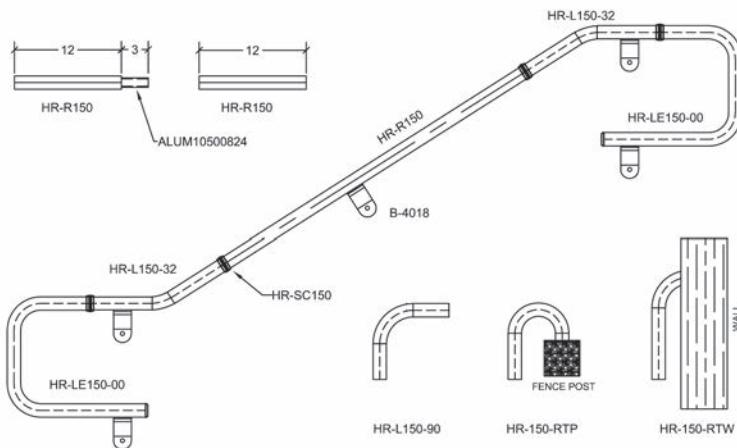

ADA Grab Rail

Vinyl Continuous

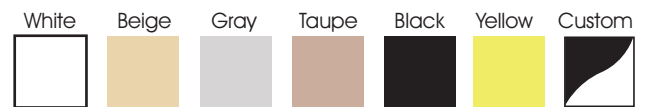

1.50" and 1.90" OD Handrail

SÄFTRON ADA Grab Rail is an easy-to-assemble 1.50" component system designed to meet today's current ADA code compliance. Designed for stairs, ramps, and walkways, our ADA Grab Rail components are fabricated using high impact polymer outside and aluminum reinforcement for superior strength and durability.

Comes in 1.50 OD and 1.90 OD
